

School Uniform Update

Our college welcomes Devon as the new supplier of our uniforms for the next three years. As you can appreciate the global pandemic has impacted individuals and businesses alike and Devon is no exception with their overseas chain of supply being seriously affected. We are pleased to inform you however that the new uniforms are now in transit from overseas and we are expecting them to be available for sale prior to the beginning of School next year once they go through Devon's Quality assurance processes.

To ensure a smooth transition to our new uniform, and not to cause any further community angst as a result of delays, Devon have bought all remaining stock from PermaPleat and as such the red and blue polo tops together with dresses and the old style jumpers are currently available. Soft Shell Jackets and blue jumpers will be available for purchase as well, once surplus stock is sold. Senior polos from PermaPleat are white and the school is happy for these to be sold prior to the phasing in of the grey. We would encourage parents of senior students not to wait until the grey tops become available if a new top is required. Devon will sell through the existing stock prior to selling the new updated items regardless. As sizes run out the new items will be transitioned immediately.

Purchasing of the Uniform

Orders can be done online through Devon and we would encourage you to do your ordering as soon as possible.

Parents can access the store at Modbury to do sizing and ordering if they wish. Appointments for uniform fittings and purchases are required at the Modbury store. Online link as well as access to scheduling appointments is below. In addition, to further support our community the Governing Council has asked Devon to visit the school on 17 & 18 January from **10am – 2pm** which they have kindly offered to do so. It must be noted that Devon will be unable to sell garments from the school on those days

There will be 3 options available for families once orders are done:

- \$9.95 delivery to personal address
- Click and collect from Modbury
- Devon can do bulk delivery to school at no charge. The orders will be distributed at school by school staff. (depending on the quantity of orders received, delivery is expected around the week beginning 24 January)

Uniform Policy

We have attached the new School Uniform Policy for your convenience. It must be noted that the Governing Council has taken steps to ensure the uniform is both accessible, simpler and cheaper for everyone. The most significant change to the policy is that students will be required to wear black pants, shorts or skirts which can be purchased from any retail outlet.
