WHAT ARE THE MAJOR LIFE ACHIEVEMENTS SINCE YOUR GRADUATION ?

I've completed my diploma, my cert 3 and I am currently studying my Bachelor of Early Childhood currently.

I'm moving to Melbourne next year
And I've been with the same company for 6 Years

ANY TIPS FOR OUR FUTURE GRADUATING STUDENTS?

Try to get into a field that you enjoy, find a job that your would enjoy then try to find a traineeship or something that you can do through school that will lead you to that job.

As much as school sucks, get good grades. They may not matter to you right now, but they help in getting into uni, whether you don't want to now. Some uni degrees will make you alot of money
