WHAT ARE THE MAJOR LIFE ACHIEVEMENTS SINCE YOUR GRADUATION ?

26 now and 27 in October, moved out of home and into a rental with my high school sweetheart Nathaniel Bass and engaged now for 5 years this year, have a 2 yr old boy and another baby on the way and find out sex tomorrow afternoon. Looking into going back and doing maths with Parents Next's help and they are helping me get my Ps with driving.

ANY TIPS FOR OUR FUTURE GRADUATING STUDENTS?

Focus on your studies and keep up the hard work, you will get there I know it may be hard now but in the end it will all be worth it, stay strong and hang in there.
