WHAT ARE THE MAJOR LIFE ACHIEVEMENTS SINCE YOUR GRADUATION ?

I was a manager in Hospitality/Retail for 8 years, before entering into an office role while I complete my Certificate IV in Human Resources Management!

Being a manager helped me realise the importance of ethics, training, compliance and equity in workplaces so I am excited to enter into HR!

ANY TIPS FOR OUR FUTURE GRADUATING STUDENTS?

Study, study, study! Study something you have a genuine interest in. You could start in a degree you don't enjoy, it is easy to transfer to something else. I started in Nursing and have ended up in HR so the journey looks different for everyone.
