WHAT ARE THE MAJOR LIFE ACHIEVEMENTS SINCE YOUR GRADUATION ?

Since graduating from Mark Oliphant College in 2016, I have completed a Bachelor of Secondary Education (Honours), majoring in Food & Textile Technologies. I studied at university both full time and part time over 7 years, graduating in April 2025. While studying, I worked as an SSO in Food & Hospitality and Child Studies, gaining valuable experience in the classroom while working towards my teaching qualification.

I now teach Food Technology, Food & Hospitality, Practical Connections and Child Studies, working in the area I studied and am passionate about.

ANY TIPS FOR OUR FUTURE GRADUATING STUDENTS?

My advice for graduating students would be to always try your best, take any opportunity you can (even if it's scary) and do something that makes you happy.

It doesn't matter how long it takes you to get where you want to be, everyone's journey is different. Do what is best for you and keep working towards your goals.
